Cash on hand 100.00

Total checkbook + cash \$ 5243.69

Editor's Extras

Dear Members,

Happy Autumnal Equinox or first day of Fall! You wouldn't think of it as such in light of the weather these past weeks. So get out and enjoy this extended Summer weather! Please note the newsletter insert for the annual Club banquet – it's a fine way to end the touring year. Keep those stories coming, however. There will be a full November newsletter and I'll need them for next year's issues!

Drive safely, *Chris Aupperle, Editor***Glimpse from the Gavel**

What a great group of members we have in our BIG-Little club. What I mean by this is that we have tremendous participation of our membership. Many clubs have a large membership roster, but many members simply just belong and do not participate. Do you want to be an active member or just belong and pay the dues simply to just say you're a member? I'm happy to say we have a tremendous amount of true, active members.

Our year began in late February with a soup lunch...what a great time! Our kick-off activity in March saw 8 cars participate in the Rockford St. Patrick's Day parade in 38 degree weather. The parade season ended with the Stillman Valley festival parade with 9 cars in 90 degree weather! We were treated to pie and ice cream at Dave and Sara Werckle's home after the parade. Following the Byron parade in July, we were treated at Wendell and Sharon Anderson's to a dessert fest.

(continued on page 5)

Member's Corner: First Parade, Part I

We really enjoyed the Roscoe parade. Our first parade (and first day on the road in 45 years for our Model A). Thanks to the guys from our Club for getting her on the road. We will definitely join you for future parades. Lots of fun!

Oh...and the dogs enjoyed the parade as well (see the attached picture). (The wife was in the parade for something else. She got to ride home in the A.

Front seat for her!)

Submitted by

Mark McClenathan

**7/25/2017 Meeting Minutes** - submitted by Anne Laviolette, Secretary

1. Pledge of Allegiance.
2. Welcome members and guests. 35 in attendance. Welcome new members Mike McNally, who owns the 1930 Coupe that his father, Dick, gave him, and Larry Froemming, who doesn't have a Model A but enjoys them. Welcome guest Dick McNally.
3. Thank you to Art and Jan Leverington for the delicious cookies and zucchini bread! Thank you to Kathy Forbes for making the coffee and setting up! Thank you to all the members who help set up and take down for our meetings!
4. Social Concerns: Vice-President Wayne Henson recently had a shoulder replacement and has now had another shoulder surgery to repair what he tore doing the exercises that his doctor gave him (go figure!); Jack Mann has recently been hospitalized for pneumonia and congestive heart failure, but is home and doing better; Doug Mather's father passed away.
5. Treasurer's report – on this page of newsletter.
6. The bidding on Charlie Monk's "Paper Moon" spinner is now closed. The highest bid was \$600 by an anonymous bidder. The high bidder should contact Jim Morley to complete the transaction. The anonymous bidder will be announced at a later date.
7. The board had discussed the possible need for business cards for the club. Anne Laviolette came up with an acceptable design and we have ordered 500 at this time. They will be available for anyone who would like some to give out at car shows, etc.
8. Thank you to Dave Clark for suggesting the purchase of additional tools for the Rock-Ford A's tool inventory and providing a preliminary list. Dave, Ron Ortberg, Jim Morley, and Ron Lanquist met and chose the most appropriate tools to order. There was a discussion of the list, a motion and second to buy. The motion was accepted.
9. Past events: (1.) Jim Morley talked about the Central Christian Church Car Show (the "Pie Show"). Our club was represented by 15 of the 240 registered cars. (2.) John Hausen talked about the Craft Show & Cruise-In at Faith Lutheran Church in So. Beloit, which happened to be the same day as the CCC Show. He said there were 50-60 cars, 25-30 craft vendors, and door prizes. (3.) Ron Lanquist talked about Beloit Autorama, which was well organized (as always), had 900+ registered cars (with 9 Model A's), and Ron came away with a "Top Antique" Trophy. (4.) The Roscoe Lions Fall Festival Parade had some registration issues as well as line-up problems (again), but we still had 17 cars in the parade, including Mark McClenathan's Phaeton. (5.) The Stillman Valley Fall Festival Parade had us showing 9 cars, even though the temperatures were in the 90's. No one overheated (that we heard about anyway). Thank you to Dave and Sara Werckle for the pie and ice cream with extras! Always a treat! (6.) Jefferson Swap Meet was like walking through the desert, but there were a few Model A parts to be had. Mike Peters found an electric wiper for \$5 – and it works. He also picked up a gas tank (you can never have too many of those, I guess).
10. Car repairs: (1.) Dave Clark's motor is waiting for the crank. Charlie Monk bored the intake manifold to fit the Model B carburetor that Dave wants to run on it. (2.) Tony Whitney got his motor on Saturday. There was an exhaust leak that burned a cylinder. (3.) Dan Campbell has a spare engine that he's putting together to try out and is looking for various parts to borrow. (4.) Terry Clark had a blown head gasket. (5.) Kathy Forbes blew a head gasket right after the Roscoe parade.
11. Rubber chickens were awarded to 2 members this month: (1.) Al Pederson had fuel tank issues – the inside of his tank started peeling and covered the valve at the bottom. He didn't have a screen filter in his valve (but he does now!) (2.) Phil Hodges broke down in the Roscoe parade and had to have a carb change (Thanks, Mike Peters!). Dave Clark didn't waste any time turning his chicken over to Phil. Display those chickens proudly! Larry Ethun, Charley Monk, and Jim Morley are also now able to retire their chickens or pass them on as soon as someone else breaks down.
12. Jim Morley talked about the repair on Dave Egee's '30 Roadster when he broke down on his trip from Connecticut to California. He broke down again in Iowa (same problem) and had the car towed back to Connecticut. He'll try the trip again next year. Jim also returned his \$500 donation to the club since they weren't able to fix the problem with his car.
13. Upcoming events: Morris Lions Club Car Show on October 8; Rock-N-Bowl Car Show on October 14; Fall Tour to San Filippo Foundation on October 18; Annual Banquet on November 12.
14. Anne Laviolette donated a wooden Model A Roadster that she made for the silent auction at the Annual Banquet.
15. Russ Kothe shared details of the Fall Tour to San Filippo Foundation on October 18. We have 48 people signed up.
16. The Bi-Laws have been changed to reflect the change in dues from \$15 to \$20 per year, which had been voted on and approved. There will also be no election of officer this year (2 year terms).
17. Winner of the attendance drawing was Chris Aupperle. The hat looks good on you, Chris!
18. Saturday Breakfast Club and monthly Dinner Club continue. Contact John and Sue Hausen for details.
19. Club vests are 1 free to member (\$17.00 for an extra) from Kathy Forbes; club patches (\$4) and Rock-Ford A's metal license topper (\$20 unpainted / \$25 painted) from Dwayne Meier; contact Lori Weber for embroidery (\$10).
20. Please note that the next meeting has been rescheduled one week earlier to Tuesday, October 24th instead of the 31st at Central Christian Church at 7pm due to Halloween events.

Tech-Talk: “Head Gasket Headache”

Contributed by: Bill Aupperle

With assistance from: Jim Morley and lots of grunt-work

Head gasket project courtesy of: Kathy Forbes' 1928 Tudor - “Bessie”

Symptoms: Sudden loss of power, running very poor

Diagnostic: A quick compression test will confirm a leak out of the cylinder

Problem: Cracked/broken head gasket

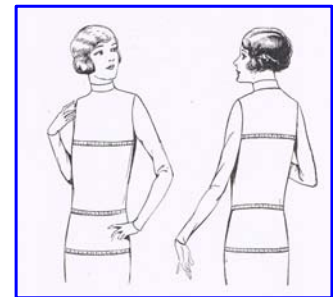

The Only Fix: Replace the head gasket—refer to page 1-80 in Les Andrew’s book, “Model A Ford Mechanics Handbook Vol. I – A Complete Guide for Service and Maintenance

Fashion Fun: “The sizing of Model A Era Patterns”

by Peggy Gill

(This excellent article cannot be reproduced in it’s entirety here so please refer to the website at the bottom of this article.

For your information, only a few remarks are published here. – ed.)

Vintage patterns offer a glimpse into the past for fashion detail not often seen in modern designs. Before you cut, please take note...Model A era patterns may appear to be sized differently than modern ones. It is not so much that they are sized differently, but that terminology back then may be different when compared to our modern day terms and phrases—but perhaps more significant is that the size of the “average figure” has changed. It is important to take current measurements for each new pattern or project. It is a simple fact of life...our bodies change as we age.

Misses sizes refer to young women and older teens, or women of small stature. Something to note about the misses sizes is the cut or “line” of the pattern. Although a persons measurements may fit the guidelines outlined below, the overall fit may be too small. For example, looking at an era pattern that says it is a size 18 years will show that the bust measurement is 36”. In my opinion, based on personal trial and error, patterns that are sized using the numbers 13-20 are made for younger women and older teens who have more slender arms and less, shall we say, natural padding in strategic places. The measurement across the back at the shoulders also tends to be narrower. One suggestion is to make a mockup of your chosen pattern in a muslin or other similar inexpensive fabric to make sure the sizing is right for you.

The Average Figure:

Bust	34	36	38	40	42	44	46	48	50	52
Hip (7” below waist-line)	38	40	42	44	46	48	51	53	56	59
Across the Back	14	14	15	15	16	16	17	17	18	18
Waist	27	29	31	33	35	37	39	41	43	45

Misses:

Years	14	16	18	20
Bust	32	34	36	37
Hip (7” below natural waist-line)	35	37	39	40
Waist	26	27	28	29
Length of Dress at center front from waist-line to hem	32	35	37	38
Length of Dress (beginning with Pattern No. 2345)	30	32	33	34

ARM MEASURE

BUST	32-34	35-37	38-40	41-44	45-47	Ins.
ARM MEASURE	11	12	13	15	15	Ins.

MAFFI Newsletter Minute

It will be a challenge to top this year's Model A Day! With over 120 Model A's attending we were grateful to be able to view a number of very rare and unique Model A's brought to our museum by hobbyists from many parts of the country.

You know you are in special company when you are looking at "1 of only 2 existing in the world". But that's what Model A Day brings to our hobby...an opportunity to meet and exchange information with other hobbyists and to explore rare items and exhibits associated with the Model A.

To all in attendance this year's Model A Day, we're glad you came and hope you really enjoyed this special weekend! If you weren't able to attend this year, join us in 2018. Yes it will be a challenge to top 2017, but we're working on something great for next year.

Model A Day also offered us the opportunity to welcome Larry Wallace, Ross Milne and Tom Mack as new trustees carrying on our tradition of bringing in new talent each year to help us make MAFFI and our museum the best experience for our hobby. We also welcome Olle Bergstrom as our newly installed International Liaison who will help promote MAFFI in Europe as well as provide information about the European Model A and operations.

John Begg
MAFFI President

**Check your timing

Sparks!
June 24 - 29
2018**

<http://www.mafca.com/events/2018EarlyBirdRegistration.pdf>

This will be a hub and spoke tour of the Redrock Canyonlands of Southern Utah and Northern Arizona. The tour will be based out of Kanab, Utah and travel through national parks and monuments of the area. The Canyonlands is home to miles of river canyons, mesas, buttes, slot canyons and brilliant red rock faces and peaks. We will tour through Bryce Canyon, which sits at the northernmost part of the Grand Staircase and stretches to the north rim of the Grand Canyon, Bryce Canyon, Zion National Park, and the Grand Staircase-Escalante National Monument. Registration materials will be available in "The Restorer" and on the MAFCA website in early 2019.

2017 MARC Membership Program

Everyone knows it takes healthy spark plugs to make an engine run at its best. Be a MARC Spark Plug and keep our club running at its best by recruiting NEW members in 2017! Every new MARC member who joins a Region during 2017 will receive his or her MARC membership for only \$22.50!

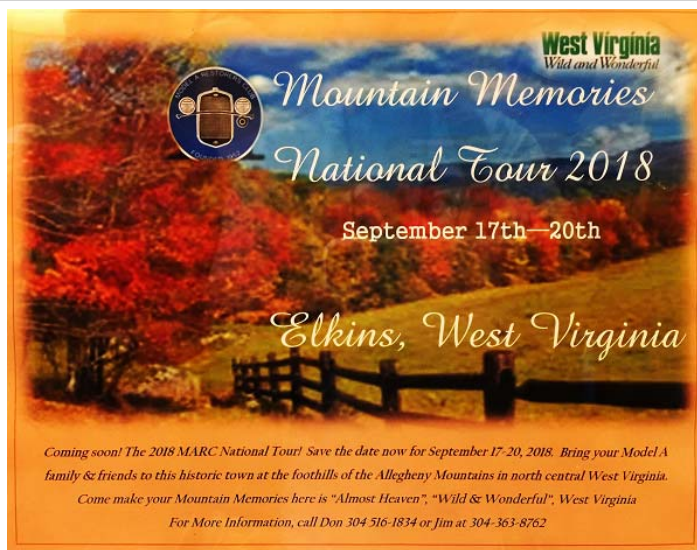

Early memberships get a half year for FREE!

You can help add members to your national organization while increasing your Region membership at the same time.

Recruit now!

West Virginia
Wild and Wonderful

Mountain Memories
National Tour 2018

September 17th—20th

Elkins, West Virginia

Coming soon! The 2018 MARC National Tour! Save the date now for September 17-20, 2018. Bring your Model A family & friends to this historic town at the foothills of the Allegheny Mountains in north central West Virginia. Come make your Mountain Memories here in "Almost Heaven", "Wild & Wonderful", West Virginia. For More Information, call Don 304 516-1834 or Jim at 304-363-8762

Glimpse from the Gavel (continued from page 2)

We participated in 5 other parades and all were well attended. Active members participated in making Model A Day in Sharon, Wisconsin - a successful event with 192 Model A's in attendance. We also had two cook-outs at Martin Park. Thanks to John and Sue Hausen for arranging countless weekly Saturday breakfasts and monthly dinners. Thanks also to Russ and Karen Kothe for arranging a great Spring tour to Kenosha and they promise another great tour Oct. 18th to the Sanfilippo Estate to view a collection of music playing machines and possibly a ride on an 1800's (worlds largest) merry-go round. Of course, lunch will follow.

At our last meeting, September 26, the membership voted to purchase 11 new specialty tools to add to our current collection of 40 others which are all available to our membership free of charge. We saw a great number of members helping other members with mechanical problems...either problem-solving or just hands-on (grunt) work. This is what our club is all about...not how shiny or perfect our car is, but sharing knowledge and participating.

Also at the September meeting, a member was presented with a RUBBER CHICKEN...the 5th this year. A "chicken" is awarded to members who have a mechanical breakdown during a traveling event...just for fun! Breakdowns will happen. Those that simply let their cars sit in a garage will NEVER have a breakdown because they are not participating and using their cars. Well, here I go again boasting about our GREAT membership and not a word about Model A cars. Maybe next time. Keep Motoring!

Your Co-Presidents, Jim & Ron

SPECIAL NOTICE ABOUT THE MARC MILEAGE PROGRAM

PLEASE DO NOT MAKE CHECKS OUT TO MARC OR MARC MILEAGE PROGRAM

MARC members who register their vehicles in the Mileage Program are requested to **either send cash** with their registration forms **or make checks payable to Dick Fisher**, the Mileage Program Chairman.

The reason for this is that MARC's bank charges a fee of about 40 cents for each check deposited. So for every \$1.00 check submitted to the bank, MARC only receives 60 cents. Dick's bank does not charge a fee for checks deposited, so if the check is made payable to him, he can deposit it and then write one check to MARC for multiple registrations, thereby saving MARC money.

Dick and Betty will be revising the MMP registration form to indicate that registrants should send cash or checks payable to Dick.

Your cooperation is greatly appreciated!

June 24 – July 1, 2018

- ☐ Monday Night Welcome Party to be held at the host hotel.
- ☐ Tuesday a dinner/show cruise on the Branson Belle Riverboat on Table Rock Lake.
- ☐ Wednesday Ice Cream social fashion show at the car museum.
- ☐ Thursday Grand Tour to Silver Dollar City a theme park centered around the 1880's and 1890's crafts and lore as well as rides for all ages.
- ☐ Thursday evening Hot dog/ Brat fry hosted by the swap meet vendors in the parking lot of the host hotel, (a Doc Kalinka Tradition).
- ☐ Friday Awards Dinner at the host hotel.
- ☐ Saturday afternoon Scenic RR tour into deepest Arkansas.
- ☐ Saturday evening Dolly Pardon's Dixie Stampede Show and Dinner.
- ☐ Sunday farewell.

We are also working with the hotels for longer stay packages for those wanting to get an even bigger dose of Branson!

PAST EVENTS: ROCK-FORD A'S GOOD SAMARITANS AND BELOIT LUTHERAN CAR SHOW

Good Samaritans Wendell Anderson, Jack Mann, Jim Morley, Ron Lanquist and Dave Werckle helped traveller Dave Egee & his 1929 roadster as he drove across the states and called for assistance.

George and Sue Brunson helped out at their Beloit Lutheran church car show.

PAST EVENTS: CENTRAL CHRISTIAN CHURCH CAR SHOW

Pictures from the Central Christian Church Car show.... Both Anne Laviolette and Jim Morley placed in the top 60 out of 240 cars, and although Anne's husband Lee did not show a Model A, he also placed in the top 60. Out of pure kindness Jim presented his trophy to a wide eyed young boy which brought the biggest smile (from both Jim and the boy) you can imagine.
